Fortieth Annual Mayor's Dinner Postponed

Speak Up Newport President Edward Selich announced today that the Fortieth Annual Mayor's Dinner has been postponed due to COVID.

With the state mask mandate being extended to February 15th and the current situation with the Omicron variant the Speak Up Newport Board of Directors decided to postpone the dinner to the earliest possible date in April or May. The Speak Up Newport Mayor's Website <http://www.speakupnewport.com/mayors-dinner-2022/> will have updates on the rescheduled dinner. Speak Up Newport will also have future public announcements on the new date. Please check the Mayor's Dinner Website to stay updated on the new date.

The Speak Up Newport Board felt it was important to continue the tradition of the Mayor's Dinner and not cancel it again this year. Last year there was no choice. This year it is hoped the Omicron variant will subside by April or May.

Even though the dinner will be later than normal all the traditional elements of the dinner will remain as in past years, including Mayor Kevin Muldoon giving a State of the City Address.
