current areas of focus

Public Piers

Lower Castaways

Eelgrass Mitigation

The City's Harbor Commission recently convened a special meeting to communicate the Commission's role, purpose, and objectives in a unique and enjoyable manner. The meeting took place on board one of the Balboa Ferries and included a tour of Newport Harbor.

Come hear Harbor Commissioner Paul Blank and Harbor Resources Manager Chris Miller speak about that tour and the topics, terminology and geography frequently reviewed by the Harbor Commission.

Meeting moderated by Joe Stapleton.

The Civic Center Community Room is located directly across from the City Council Chambers when you enter the complex. Parking is available in the parking structure and in the parking lot adjacent to the structure.

Please bring your neighbors and friends. Guest are always welcome.
