Newport Beach Golf Course Renovations Limiting the expansion of John Wayne Airport Runways

Golfing in Newport Beach is always a great treat! Now with the upcoming renovations to the Newport Beach Golf Course it'll be even better. A hidden benefit to the renovation is that it will help to limit expansion of the John Wayne airport by making proposals for lengthening the runways much more difficult. Topics of discussion to include:

- What the renovations will consist of and what the timeframe is for completion?
- How will the renovations affect the expansion of the John Wayne Airport?
- Will the renovations affect my golf schedule?

Join Tom Johnson and Buck Johns for this informative update on the executive course renovations which will help to limit the continued expansion of the John Wayne Airport and its runways.
