

Marijuana Legalization and Its Effect on Newport Beach

What effect will the recent passage of Proposition 64 (the California Marijuana Legalization initiative) have on the City of Newport Beach?

Representatives from the Newport Beach Police Department along with City Attorney Aaron Harp will answer such questions as:

- What are people now able to do with marijuana that was previously illegal?
- Will the City allow the dispensing of the drug within City limits?
- Does the initiative allow cultivation of marijuana within City limits?
- How will law enforcement deal with violations and DUI?
- Will the City and law enforcement be better off and/or save money?
- Will legalization make the drug more available to our children?
