Meet Grace Leung, Newport Beach City Manager

Speak Up Newport is pleased to present a program featuring the City's new City Manager, Grace Leung. Grace became the City Manager of Newport Beach on September 4. She has spent her first two months on the job establishing relationships, learning City projects and programs and getting to know the organization she now helms and the community she serves. She will talk about her goals for her first 90 days on the job and for the coming year, and she will provide updates on key City initiatives and projects.

Grace came to Newport Beach with more than 20 years of experience working in local government. Most recently, she was the Acting City Manager in the City of Irvine and previously worked for the cities of Sunnyvale and Long Beach.
