Do You Feel Quality of Life In Newport Beach Is Trending Down?

What Is the City of Newport Beach Doing to Increase Quality of Life for Both Residents and Visitors?

Speak Up Newport is currently unable to hold its normal programs at the Civic Center so we will host this twelfth in a series of special programs via a Zoom Meeting Webinar.

Whether you have concerns about the COVID-19 pandemic, traffic, homeless, short-term rentals, the beach and boardwalk, or any other quality of life issue, hear from representatives of the City Manager's Office, Community Development, the Police Department, and the Fire Department on some of the new and innovative ways the City is working to address the challenges of today and tomorrow.

If you have a question you would like to ask the presenters please send it to:
