NEW CHANGES COMING TO NEWPORT BEACH TRASH COLLECTION, ARE YOU READY?

NEW STATE LAWS MANDATE THAT NEWPORT BEACH ENACT STRICTER TRASH COLLECTION PROCEDURES INCLUDING STRICT ENFORCEMENT

Speak Up Newport is currently unable to hold its normal programs at the Civic Center so we will host this sixteenth in a series of special programs via a Zoom Meeting Webinar.

In April 2019 Speak Up Newport presented a program on the new trash regulations coming. That day is coming soon. Join Speak Up Newport to hear how and when the City will implement major changes to how trash will be collected.

- The City Charter provides for free trash collection for Newport Beach Residents. Why did the City double the recycling fee when residents will now be required to recycle.
- How else will Newport Beach meet these mandates?
- How many trash cans will each household have to maintain? Two, three, more?
- What requirements will Balboa Island, the Peninsula and CdM have?
- Is the City going to have trash can inspectors check homeowners' trash for compliance?
- What are the penalties going to be for non-compliance?
- How will restaurants and businesses meet the additional requirements to keep records of organic waste they dispose of?
- Come and hear Dave Webb the City Public Works Director and Micah Martin Deputy Public Works Director answer these questions and more.

If you have a question you would like to ask the presenters, please send it to:

Question@speakupnewport.com

Attendees will also have the opportunity to submit questions during the Webinar.
