## New Civic Facilities for Newport Beach

The quality of life for Newport Beach residents is constantly being improved with new civic facilities. The Newport Beach City Council recently gave two exciting projects the go ahead, the new Jr Lifeguard Headquarters and Library Lecture Hall.

Come hear representatives from both projects discuss:

- What is the need?
- How did these projects come about?
- What is the current status?
- What benefit will these facilities bring to Newport Beach residents?

If you have a question you would like to ask the speakers, please send it to:
