

State of Homelessness in Newport Beach

Over the past few years, the City of Newport Beach has attempted to address the Homelessness Issue. What has the City done, what is it currently doing and what are the future plans for addressing this issue?

SUN ZOOM Webinars have been so successful during COVID that we will be simulcasting the live program via ZOOM for those that cannot attend in person.

Come hear Natalie Basmacıyan, City of Newport Beach Homelessness Coordinator, and Lt Pete Carpentieri from the Newport Beach Police Department address this issue and more. There will be an opportunity to ask questions by submitting questions in advance or during the Zoom webinar and live program.

If you have a question you would like to ask the speaker, please send it to:

question@speakupnewport.com

Attendees will also have the opportunity to submit questions during the program.
