

How to Protect Against Wildfires & Rising Homeowner Insurance

About 1/3 of Newport Beach is in the “Very High Fire Hazard Severity Zone.” Residents are experiencing skyrocketing insurance rates & increased wildfire concerns.

You won’t want to miss this important presentation with information about:

- How to protect your home with landscape & structure “hardening”
- Best practices to protect against rising homeowner insurance rates
 - What the City is doing to support residents

SUN ZOOM Webinars have been so successful during COVID that we will be simulcasting the live program via ZOOM for those that cannot attend in person.

If you have a question you would like to ask the speaker, please send it to:

question@speakupnewport.com

Attendees will also have the opportunity to ask questions during the program.
