

# MONTHLY MEETING

**PLEASE NOTE: SPECIAL DATE**

**Tuesday March 19, 2024**

## Where will the City of Newport Beach place the 4,845 new Housing Units mandated by the State?

The city is currently amending the City's Land Use Element, adding a Housing Overlay Zoning District citywide, and adopting new design standards to provide for the new housing units. How will the city do that and maintain the character of Newport Beach? How will traffic and environmental impacts be addressed in the Land Use Element and Zoning Code changes? How will your neighborhood be affected?

Come hear what is proposed from the featured speaker: Seimone Jurjis, the City's Assistant Manager & Community Development Director.

If you have a question you would like to ask the speaker, please send it to:  
[question@speakupnewport.com](mailto:question@speakupnewport.com)

Attendees will also have the opportunity to submit questions during the program.
